

The background features a light cream color with decorative floral and leaf patterns in the corners. The top-left and top-right corners have dark brown branches with green leaves and pinkish-red floral shapes. The bottom-left and bottom-right corners have similar patterns with more prominent pink and orange-red floral shapes. In the center, there is a large, rounded, light orange shape with a darker orange border. Inside this shape, the text "SESSION 5-1" is written in a bold, dark brown, sans-serif font. Below it, in a smaller font, is "BY.KOLIMNT" and "CODE". There are also four small sun-like icons with rays, two in the top-right and two in the bottom-left of the central orange shape, each accompanied by a black swirl line.
